D. Purpose for Authorization.

Road and road segments may be added and authorized as all-terrain vehicle routes through the following process:

1. A property owner within the town must petition the town to add or remove a road or road segment.
2. The Town Board shall, within 120 days of receipt of the petition, review the petition and make a determination as to whether the road or road segment in question is appropriate for use as permitted under this article or whether the road should be removed. The Town Board shall

make this determination

3. The Town Board shall hold a public hearing on the petition. This public hearing may be held in conjunction with a regularly scheduled Town Board meeting. That public hearing shall be considered first consideration of a proposed change to the Town's Municipal Code. The board shall make reasonable efforts to ensure residents on affected roads are given notice of the public hearing.
4. If the Town Board gives tentative approval to the ordinance change at first consideration, the board shall bring the matter up for second consideration at the next regularly scheduled meeting of the board.

E. Designation of ATV Routes.

1. The all-terrain vehicle routes and access roads, as identified in Section J, are open year-round.
2. The Town Board may, by resolution, designate any town-owned highway as a temporary all-terrain vehicle route for a period not to exceed ten days for the purpose of facilitating a special event. All such temporary routes shall be properly signed as required by Wisconsin Administrative Code.

F. Conditions of use.

To operate an all-terrain vehicle a person must:

1. Be 16 years of age or older.
