**1. Notice to Owner.** If the town chair, town committee, or other agents of the town board determine, by written notice to the town board, that a public nuisance exists under this ordinance within the town on private or public land and that there is great, immediate, and substantial danger or threat to the public health or safety, the town board, town chair, town committee, or other agents of the town board shall serve a written order upon the person who is causing, permitting, or maintaining the public nuisance, and the owner or occupant of the premises where the public nuisance is caused, permitted, or maintained. If immediate personal service cannot be made, one copy of the written notice shall be posted on the premises in a location likely to attract the attention of the owner or occupant of the premises or the person who is causing, permitting, or maintaining the public nuisance, and one copy of the notice shall be served by mailing by U.S. mail of a First Class letter to the last known address for the owner or occupant of the premises. The order notice shall direct the owner or occupant to remove the public nuisance within 24 hours and shall state that unless the public nuisance is so timely abated, the town may cause, due to the emergency conditions, the public nuisance to be abated and shall charge the costs of abatement to the owner, occupant, or person causing, permitting, or maintaining the public nuisance.

**2. Abatement by town.** If the public nuisance is not abated within the time provided in the notice under paragraph 1 or if the owner, occupant, or person causing the public nuisance, if known, cannot be found, the town chair, the town committee, or other agents of the town board, with approval of the town board, shall cause the abatement or removal

of the public nuisance by immediately seeking for the town a court order that allows for the immediate enjoinder and abatement of the public nuisance.

**D. Abatement By Court Action.** If the town board determines that a public nuisance exists on public or private premises but that the nature of the nuisance does not threaten great, immediate, and substantial danger to the public health or safety, the town board shall file a written report or its resolution of its findings with the town clerk who shall, after approval and filing of the report or resolution by the town board, take one or more of the following actions, as directed by the town board:

1. Issue and serve a written order to cease and desist the public nuisance upon the person causing, permitting, or maintaining the public nuisance and the owner or occupant of the premises where the public nuisance is located.
2. Issue and serve a citation for violation of this ordinance upon the person causing, permitting, or maintaining the public nuisance and the owner or occupant of the premises where the public nuisance is located.
3. Cause the town attorney to draft a formal civil complaint to be filed and served upon the alleged violators based upon an alleged violation of this ordinance or the conditions of any permit as issued or have drafted by the town attorney to be filed and served a formal complaint for abatement of the public nuisance under chapter 823, Wis. stats.

**E. Other Methods Not Excluded.** Nothing in this ordinance may be construed as prohibiting the injunction and abatement of public nuisances against any person, including against a permit holder that holds a current and valid permit issued by the town under this ordinance, by the town or its officials in accordance with the laws of the State of Wisconsin or this ordinance.
